

## PRODUCT INFORMATION SHEET

### Tetroseal

#### Description

Tetroseal is a high solids, highly structured, bituminous-based underbody sealing compound. Its low shear rheology makes it particularly suitable where resistance to sagging after application is required.

#### Advantages

- Suitable for use on sills and all lower body panels requiring enhanced protection.
- Provides rust protection.
- Provides excellent sound deadening qualities.

#### Method of Use

- Remove dirt, grease and moisture with Tetrosyl panel wipe, and apply Tetroseal Wax oil rust inhibitor where appropriate.
- Mask off surrounding areas.
- Apply Tetroseal liberally with a clean brush, taking care to ensure full coverage.
- Clean using white spirit or tar remover.

#### Availability

- Available in 500mls, 1 litre and 5 litre packs.
- Also available as a 500ml aerosol.

#### Safety

User should refer to the material safety data sheet before use of the product.

## DISCLAIMER

This Product Information Sheet does not constitute to any extent a fitness for purpose warranty or a quality specification. It is intended to be indicative only of the general characteristics of the product(s) and may not be relied upon (in whole or in part) in substitution of nor as a supplement to any of the information and/or instructions and/or warnings set out on the product(s) and/or on any packaging and/or in the relevant Safety Data Sheet (which is available on request).

Neither of the publisher of this Product Information Sheet or the product(s) manufacturer accepts liability for the failure of any person to observe and follow the information and/or instructions and/or warnings on the product(s) and/or on any packaging and/or in the relevant Safety Data Sheet.

Any person selecting and using or causing the product(s) to be used for a specific purpose or any third party recommending the product(s) for a specific purpose without in either case first making all appropriate inquiries as to the suitability of the product(s) for the intended purpose does so at his/her/their own risk and no liability is accepted by the publisher or the product(s) manufacturer for any consequent loss, damage or injury, other than such liability as may not (by operation of law) be excluded.

This Product Information Sheet does not apply to the use of the product(s) in any combination or with other products or materials.

Users of a product or products marked "For Professional Use Only are deemed to declare and acknowledge for themselves professional levels of skill, knowledge, competence and experience in the selection and use of such product(s).

Product Information Sheets are updated from time to time and inquiries should be made on a regular basis to ensure that this is the latest version available.
